CEDAR GROVE VILLAGE

4600' (1410 m) elevation. The road into Kings Canyon closes below Yucca Point every fall due to frequent rockfall. Frost heave causes rocks in the cliffs to tumble onto the road.

This glaciated valley features towering granite cliffs, tumbling waterfalls, and the powerful Kings River — "a rival to the Yosemite," according to John Muir. In addition to facilities listed below, in summer the area offers picnicking and horseback riding (see page 3).

NATURE PROGRAMS

Snowshoe walks are usually offered in Grant Grove on Saturdays and holidays when conditions permit, beginning Friday, December 31.

We provide free snowshoes for the 2-hour, 1-mile walk. Group size is limited, so reserve your place at any visitor center or call 559-565-4307. Snowshoeing may be strenuous and difficult for small children. Ask for more information about this unusual way to enjoy the forest!

If there is not enough snow for a snowshoe walk, we will offer an alternate program. Check local bulletin boards and visitor centers for schedules of activities.

Snowplay Areas!

Big Stump and Columbine are in the National Park's Grant Grove area. Big Meadows, Quail Flat and Cherry Gap are in the National Forest.

- **Be safe & considerate!** See safety information on page 5.
- **Cross-country skis & snowshoes** are rented at the market, where other snowplay gear is also for sale. See Food & Shop hours in the left column.
- **Snowplay is prohibited in some areas:** residential areas, the Grant Tree Trail area, and other areas as signed.

USFS: National Forest & Monument

HUME LAKE & BIG MEADOWS AREAS (FS)

Giant Sequoia National Monument, part of Sequoia National Forest, borders much of the western edge of these National Parks. The area was sold to the government as a Forest Reserve in 1935. It is an excellent place to see recovery from intensive sequoia logging in the late 1800s.
